Carol Lupton Huckin is a community leader who has dedicated decades to making a lasting impact across North Texas. Born and raised in Dallas, she began her volunteer work as a young wife and mother with the Junior League of Dallas. Since then, she has served on numerous nonprofit boards, including The Salvation Army, The Senior Source, University Park Public Library, and the Women's Council of the Dallas Arboretum.

Carol and her family have been pillars of the Equest organization for decades. A lifetime member of the Equest Women's Auxiliary (WAUX), Carol served as president in 1995, 2007, and 2008. She co-chaired the WAUX Luncheon in 1998 and 2001, served as honorary chair in 2004, and received the Community Service Award in 2003, following in the footsteps of her mother, Carolyn Lupton, a generous supporter of the Auxiliary since its inception.

Carol has also served on the Equest Board of Directors and continues her involvement as a member of the WAUX Advisory Board. Most recently, she and her husband, Dr. William “Bill” Huckin, co-chaired the 2023 Blue Ribbon Gala, further strengthening their family’s legacy of service to Equest.

Beyond her work with Equest, Carol has generously given her time, talent, and treasure to countless Dallas organizations, leaving a remarkable legacy of service and leadership in the community she loves. We are deeply grateful for her unwavering dedication to Dallas organizations and to Equest, where her impact has been felt for generations and will continue to inspire for years to come.
