Dear Friend,

We are humbled and honored to join forces and serve as Chairs and extend a warm invitation to you for Equest's **45th Annual Blue Ribbon Gala**, an event that promises to be unforgettable. This year, we are proud to present a theme that embodies the pursuit of victory and the symbolic reward of achieving a coveted goal: "**Run for the Roses**". Mark your calendars for **Saturday, April 25th**, as we gather for an evening of Texas charm in the urban cowboy space of Gilley's Dallas.

For more than forty-five years, Equest has been at the forefront serving the North Texas community by enhancing the quality of life for those with diverse needs. This year, more than ever, Equest needs your support to continue providing life-enhancing therapeutic equestrian services for children and adults with physical, cognitive, and social-emotional needs.

The gala has long been recognized as a premier event, attracting over 600 esteemed individuals from social, civic, and business circles. Together, we will raise awareness about the realities faced by people with disabilities and the profound impact that the human-horse connection has on their lives. Through equine-assisted services, Equest has been able to bring hope and healing to countless children and adults with diverse needs. But we cannot do it alone.

This year, former mayoral candidate and philanthropist, Lynn McBee, will be the Honorary Chair. We are honored for her support. We are also delighted to announce that the prestigious Citation Award will be presented to Carol Huckin. The Susan Schwartz Founder's Award will be presented to Leslie and Hawkins Golden. We hope you will **Run for the Roses** with us for an evening filled with excitement, inspiration, and heartfelt connections.

Don't miss out on this incredible opportunity to make a lasting impact. Your support will make a difference, while helping to build a stronger community that embraces and supports those with disabilities. Enclosed, please find the gala's Sponsorship and Underwriting Contract for your consideration and submission. Sponsorships and underwriting may also be secured at www.equest.org/gala.
